bathroom range

The Ascension Range is a select group of exceptional pieces of high-quality design, artistic and hi-tech. Captivating and enthralling there is something to enhance any bathroom space that is designed with an evolutionary flair and suitable for the consumer that demands the highest level of finish.

Consumers are looking for goods that will make a statement, will inspire, reflect their individuality and are designed to last. Consumers requirements are the nucleus for every aspect of each product developed, this is reflected in each finished item. Inherent in every component are the highest grade materials and our highest level of thinking.

Crafting a range involves attending to every aspect of bathroom space innovation and future direction and advancement. Our design approach is focused on identifying the value of achieving a rich and performative user experience, both physical and visual. It is critical as part of each products performance and to maintain a level of impact that is as vital as function.

lu•nette
