

KARIZMA

close coupled back to wall suite
flushes 4.5/3 litre

paco jaansõn

The Karizma close coupled toilet suite is eco friendly (4.5L full flush, 3L half flush), and equipped with the most reliable mechanism in the world (Geberit). It features Anti Bacterial System (ABS special coating to reduce bacteria build up) and Easy Cleaning System (ECS dirt repellent and easy care silver ion technology). Its simplicity of form and its back to wall pan make Karizma the perfect choice for any bathroom.
