

  
**Baumatic®**  
APPLIANCE CHIC

**THE  
PERFECT  
PARTNER**

# THE PERFECT PARTNER

If you are considering an eligible appliance partner for a new project, we believe that Baumatic will provide you the perfect companion piece to ensure success. And with After Sales Service that is second-to-none, your customers will not be disappointed.

The essence of our strength is in quality products at affordable prices, whilst never compromising on safety and features.

Trust in Baumatic, the perfect partner.

# AFTER SALES SERVICE

The Baumatic point of difference is its exceptional after sales service. We provide national service coverage with a free-call 1800 number and a dedicated commercial service request email for logging service calls and warranty issues. Should you have an immediate issue, our commercial state sales managers are available to assist directly onsite.

Baumatic have a dedicated team of technicians and vans across east coast capital cities, and a network of 200+ service agents Australia wide. We carry all major components in Australia with our company owned express parts delivery business, Pronto Parts, to ensure a rapid response.

# HOME APPLIANCE GROUP

Home Appliances is owned by the McPherson Group, a publicly listed Australian company with annual sales of AU\$500M.

Baumatic is distributed by the Home Appliance Group, the second largest distributor of cooking appliances in Australia. Distributing over 180,000 units per annum through our warehousing and distribution partner QLS, we have the ability to manage large inventory holdings across all states.

Home Appliances has a dedicated commercial sales and administration team controlling the processes from proposal through to order and project delivery. Getting a sale is great, but on time delivery and relationships are what count at Home Appliances.
